NOTICE

A Notice of Intent for the following project submitted in accordance with R307-401-1, Utah Administrative Code (UAC), has been received for consideration by the Director:

Company Name: Aligned Data Centers (WJU) PropCo, LLC
Location: Aligned Data Centers (WJU) PropCo, LLC - West Jordan Data Center – 6800 West 9800 South, West Jordan, UT

Project Description: Aligned Data Centers (WJU) PropCo, LLC (Aligned) has requested to operate a data center power station in West Jordan, Salt Lake County. The data center will run on line power. A maximum of one hundred ninety-two (192) diesel-fueled emergency engines will be used to provide power in the event of an emergency. Each emergency engine will have a diesel fuel storage tank.

The completed engineering evaluation and air quality impact analysis showed the proposed project meets the requirements of federal air quality regulations and the State air quality rules. The Director intends to issue an Approval Order pending a 30-day public comment period. The project proposal, estimate of the effect on local air quality, and draft Approval Order are available for public inspection and comment at the Utah Division of Air Quality, 195 North 1950 West, Salt Lake City, UT 84116. Written comments received by the Division at this same address on or before November 12, 2024, will be considered in making the final decision on the approval/disapproval of the proposed project. Email comments will also be accepted at cbodell@utah.gov. If anyone so requests to the Director in writing within 15 days of publication of this notice, a hearing will be held in accordance with R307-401-7, UAC.

Under Section 19-1-301.5, a person who wishes to challenge a Permit Order may only raise an issue or argument during an adjudicatory proceeding that was raised during the public comment period and was supported with sufficient information or documentation to enable the Director to fully consider the substance and significance of the issue.

Date of Notice: October 13, 2024
